Dear Valued Client,

Christmas and the New Year are nearly upon us again and we have lots of exciting events happening at Body & Sole.

The last three months have been very busy with happy clients taking advantage of our specials from the last newsletter.

The Silkpeel Microdermabrasion treatment has been giving spectacular skin results with many new devotees of the treatment. We are now able to treat Dehydration Acne, Pigmentation and Resurfacing of the skin all in the one treatment. This special offer was so well received; I have decided to repeat this wonderful special in January.

The new updated Web site will be up and running by December, so make sure you log on to check out all our latest treatments and news from Body & Sole.

I would also like to take the opportunity to thank you for your support for the last year and to wish you all a Happy Christmas and New Year.

Kindest Regards,

Cheryl

STAFF

Goodbye

A sad and quick farewell to Sarah. Sarah was with us for three and a half years and a valuable member of our team. We wish Sarah good luck, she will be missed.

Welcome

On a brighter note we now introduce Jenny to our team. Fresh from the U.K. Jenny brings experience and vibrancy to the Hillier's Rd Beauty Care Salon.

What's Been Happening

With these new changes Rebecca will be dividing her time between salons, Tuesday's all day and Thursday afternoons at Southgate.

You may remember from our last newsletter, that Lisa is running our Hub Salon, situated in Scamps.

Lisa has excelled at her new challenge and is doing an excellent job. Lisa has put her marketing skills in place by advertising and promoting new ideas, expanding a once waxing salon into a Dermalogica Skin Care Salon.

SHOPFRONTS

Southgate

Maybe you have noticed our new signage on our windows at the Skin & Laser Clinic. We are very pleased with the fresh new look. This has already drawn attention from new clients.

Hillier Road

On a sad note our Pot Plants were stolen from out the front of the Beauty Care Salon even though they were bolted in! But you will notice in the next weeks bright new signage.

Protecting Your Skin

Now is the time to get in the habit of applying Sunscreen to our skin. The harmful rays are now at their peak. It only takes 8 minutes of sun exposure to increase the risk of skin damage.

Why not take advantage of our Dermalogica Solar Packs and Skinceuticals Sun protection products, ranging from 15 – 45 Spf. Come in and speak to our qualified and trained Skincare Therapists to find the right one for you. Please don't forget to reapply your sunscreen throughout the day.

New Treatments

Stress Relief

Diane has just finished her La Stone Therapy Training. This unique treatment uses the both Hot and Cold stones with combined massage to relieve stress of the mind and body. This will start in the New Year.

Lengthy Lashes

Rebecca has also completed her Eyelash Extension and Eyelash Perming course. These fabulous treatments will be introduced at Hilliers Road Salon. They are a fantastic way to enhance your eye's. Lash Extension introductory offer of **\$90.00**.
