Body & Sole Beauty Care
42a Hillier Road
Morphett Vale SA 8326 9244

Dear Valued Client,

I know they say time goes faster as you get older but this is unbelievable. I am running 4 months late with this newsletter and I find it hard to believe it has been 7 months since our last one: but I have been kept very busy in that time.

Whats been Happening

The Hub

I started a salon within Scamps Hair Studio at The Hub , Aberfoyle Park in December. Lisa is running this salon very capably and offers all beauty services. Dermalogica is also available at the Hub. Phone 8270 2399 to contact Lisa.

Hilliers Road

Body & Sole Beauty Care at Hilliers Rd is now managed by Rebecca, and after a few glitches with the computer system all seems to be running smoothly (touch wood). As you would know we are doing most of our waxing / tinting services at Hilliers, but you can make an appointment by phoning either number. These services are slightly cheaper at Body & Sole Hilliers due to the difference in outgoings.

Body & Sole Skin And Laser Clinic

The Clinic is now a quieter place which allows us to offer more relaxing skin and wellness services. The Paramedical skin therapists; Natalie, Di, Jayne and Emma are continually updating their knowledge to keep offering the most advanced and result driven treatments available. Since November we have introduced Thread vein treatments for face and décolletage with outstanding results.

Natalie, Di and myself attended a advanced paramedical workshop in Melbourne in April to fine tune our skills.

As the old saying goes you only get what you pay for. We continually get phone calls asking about the price and treatments we do with our I2PL. The Ellipse Light I2PL that we have is medically proven to permanently reduce hair and perform as stated for skin rejuvenation. All our staff hold laser safety certificates and are aware of their responsibilities. Not all salons or clinics can claim this.

Who's New

Christine joined our team in April. Christine is returning to beauty therapy after many years working at Flinders Library. Welcome Christine.

Whats New

Machinery :

INTRODUCING 3RD GENERATION
MICRODERMABRASION.

SILK PEEL DERMALINFUSION
MICRODERMBRASION

I am very excited to be introducing the very latest treatment to combine non-invasive exfoliation with deep delivery of skin-specific topical solutions to improve and revitalize your skin.

Q: What is Silkpeel Dermalinfusion.

A: Silkpeel Dermalinfusion is brand new technology to address your specific skin concerns. It's a relaxing treatment that exfoliates your skin and, at the same time, adds topical solutions to help correct skin problems such as acne, hyper pigmentation and photo damage, dehydration and fine line wrinkles.

New Treatments

New York Facial :

A high performance facial that combines microdermabrasion with vitamin therapy. Fast moving like New York itself this treatment achieves outstanding results. Improvement in all skin conditions is noticeable in just 1 treatment. Come in relax and let our therapists treat you to this facial. Your skin will have a healthy new glow that can be seen and felt.

Stress Relief Therapy Treatment:

A new massage treatment that uses unique massage techniques to ease the stresses of everyday life that build up in the body. Take an hour out of your stressful day and come relax and unwind. Walk in stressed float out on a cloud of relaxation. Please ask for Di.

Going Electronic:

Data Base

As our list of clients is ever expanding we are now in the process of updating addresses ,email and sms details. If you would like to receive super specials/ news by electronic means bring it to our attention. As per privacy laws names will not be sold, given or passed on to any other party.

Website

We are also in the process of updating and expanding our website, bodyandsolebeauty.com.au and in the near future our newsletter, specials ,info etc will be available from this site.

Winter Skin Treatments

Winter is the ideal time to have your I2PL skin rejuvenation and hair removal treatments as your skin is less tanned now. So if you are concerned about age spots pigmentation ,diffuse redness or excess hair now is the time to have it treated.

Protecting your skin

Skins are prone to dehydration during winter from heaters and dry cold winds. Your skin may not need a richer moisturiser but it will need extra hydration as in Dermalogica's Hydrating Booster or Skinceuticals B5Gel. It is also very important to exfoliate your skin more regularly. For your face Gentle Cream Exfoliant would do wonders and Body Exfoliating Cream for the body. Twice a weekly.

Feet Care:

It is easy to neglect your feet during winter.Come in and enjoy our deluxe pedicure which includes all nail care,exfoliation,massage,mask and polish using only the finest products all the time being gently massaged in our spa-pedicure chair.(take advantage of our fabulous winter special)

Skinceuticals C+E=Fantastic Results

Fathers Day

Remember Dad in early September. More and more the male is coming to appreciate the benefits of looking after their skin and to have a skin treatment or massage is no longer unusual.

Fathers Day Voucher Special-Full body Massage + 30 min skin treatment \$90 usually \$104.

I wish all of you good health during the winter months and enjoy our winter specials.

Kindest regards
